“ Virgil was the first born of my Mother Mattie.Me being the younger of All brothers did not always get along often being accused of "spoiled" behavior.....but I ALWAYS followed the exemplary status of how my brother carried himself...I didn't understand thoroughly at a young age we were years away from each other in growth but as I got older I could realize the life lessons that he tried to give me and with time It became very apparent that he had my best intentions in mindA Good Man....A Good Brother...A Blessing to his time on Earth....I am the LAST of our immediate family and my time is wearing down....I Pray that when corporial life is done I will be able to see my brother as well as ALL the members of my family...I LOVE YOU MY BROTHER.....REST WELL.... I'LL SEE YOU SOON. WE
