“ Such precious memories I will always have of Virgileen. Many of my growing up moments center around the fun times we had in Mt. Sterling with your family. You all were very blessed by her life, as was I. I'm so sorry for your loss, but I take comfort that she is alive and well, enjoying Heaven. She and my dad just got there a little quicker than the rest of us. You all will be in our family's prayers. With much love, Kim, Bobby, Josh, Candace, Jordan & Trista.

“ Homer, Jr and Greg and Homer, Sr. I am so sorry to hear of this huge loss for your family. Vergileen was a person to be loved by all who knew her. I know I did. I remember my first driving experience was in her Plymouth and as I backed up the car I backed into the pull bar on another car parked right behind us. She did not get upset with me or yell at me, she told me it was ok it could be fixed. I remember baby sitting for her and it was with Greg. We tried to light the oven in order to make toast for Greg. I had never used a gas stove and Greg was showing me where to light it, well we had already turned it on and when I struck the match we both ended up across the kitchen floor..Greg with no eyebrows or bangs and my arm was burned. We were both ok, just shaken up. My mom had to call for Vergileen to come home and take Greg to doctor..I was scared to death that he was hurt badly. Virgileen never said anything to me about it. I really thought the world of that woman, and sorry I did not know about her death until today 12/24/11. I wish you all well and Homer I wish you and your family the best. Love you guys. Anne
