“ *I can't believe that Jenny is gone. Time has gone by so quickly and we had just reconnected last month. I have such fond memories of our youth in Lebanon, Oh. In my mind she will forever be my 15 year old laughing buddy. I am sad that life's path seperated us and sader still that we can not see each other this side of heaven. Richard, Liz and Pop stay strong and know that we are thinking of you. Laura and Suds*
