“ George I am so sorry for your loss. Ginger was one of a kind. She was happiest getting out of the bank grabbing her cooler and you, heading to a pond to do some fishing. I have lots of memories from working with her. I send my sincere sympathy and prayers. *Linda*

“ So sorry for your loss! I learned a lot from Ginger at my first job in banking. Some bank related...some not :) I truly enjoyed knowing her. The world lost a special lady.
