“ we are all very saddened to hear of the death of Mrs. Conn. We always saw her as a very classy lady who loved to have fun and laugh. She was a very good friend to our mother, June Imm, for many years. We feel a sadness for Harvey and the boys (and wives/grandkids) whom she loved very much. We are comforted that they will have many positive memories of her that they will hold onto and cherish for the rest of their lives.

“ My mom was a kind and gentle person with a passion and heart for loving and caring for others. As a boy she never missed a ballgame I played in and saved her small amount of cash to ensure that I could take Kim on a date when I returned home on weekends as a broke college student. She was blessed with a life that lasted here on earth longer than many. She took advantage of this time and helped care for her friends in the final days and hours of their lives. She assisted and gave joy to many elderly neighbors in her Villages neighborhood during their times of need. When she sat in the care facility, even on her final day, she encouraged others to leave and she would be okay. She cared much for others and always put their interest and needs
