“ *We will truly miss Ginny's open arm welcomes each time we arrive to our Florida home away from home. She was a wonderful neighbor to us and to our family for many, many years. Her laughter was contagious and her sense of humor unforgettable. She was truly one of a kind and there will never be another like Ginny from next door. I know she's in heaven now with Bob and Barb and what a time they're having. Rest in peace dear Ginny.*

“ Dear Ginny Your passing leaves an empty spot in my life. I remember all the good times we had has kids and the times we rubbed poision ivy on ourselves to see if we would get it and oh my did we ever. We were so funny together and we told each other secrets and just had real fun. I remember the challanges you faced in life and how strong you were in overcomeing them with a positive frame of mind. I was so proud when you got your nurseing license. Now you will be God's angel nurse as you look over us. Ginny I am so sad you had to leave us. You were and shall remain a beautiful treasured memory in my life and you will never be forgotten. When i see the sun Ginny I will know it is your warm beautiful smile shineing on me, what a great smile. When I see a new flower bloom I will know that your spirit is still alive and lives on. Ginny you will just always be there. Frank Ginny was so happy with you and she used to tell me how much she loved you. My sympathy goes out to you and your children and grandchildren. I will keep you all in prayer. Peace, Love, and Light, and may the eternal flame guide Ginny on her new and peaceful journey in the heavens.

“ Frank and sons: Ginny was such a pleasure, she will be missed by all who knew and loved her. She always had a smile and a laugh. Her love and friendship were contagious. I remember planning for her to be my mother Sherry's Christmas gift and behold she comes to my home on lakeland and we stuffed her into a gift bag, thus she was the christmas present, she could be that way. All my love and prayers to you and yours. Amy Clark

“ To Ginny's Family my deepest sympathy. I had not seen Ginny in so many years and was sadwhen I got the news. Losing touch with family members until it is too late is always a regret, especially when we are really not that far away. My memories of her are fond ones and she was such a cute and spirited girl. May God be with you at this time. My prayers are with you and your family.
