“ Dear Ginny, you tried your best but your body just gave out. You were so brave and you left this world under your own terms, with dignity. Not many are that fortunate. I thank you for coming to live with me after losing my Mike. You truly eased the pain of that loss those first few months. I content in knowing that I was not alone and you were here with me. I thank you from the bottom of my heart and I thank you for leaving your dear dogs behind for me to love and cherish as a part of you. Rest in Peace my dear sister, you deserve it.
