“ It was my pleasure to meet and deal with you at the bank. I loved all your jokes and prayed for your healing here on earth but God saw fit to give it to you in His kingdom. Rest from your labors Saint of God you have finished your race.

“ Ginny was the most loving, caring woman I knew. She had the biggest heart God could have blessed one person with. She loved everyone and everyone loved her. I have so many wonderful memories of her loving me and my babies. Teaching me how to make potato soup (something i have passed down to my kids), being one of the few people who actually showed pride in me when I received my GED, blessing my children as each was born and gifting them special ornaments that have hung on my tree for the past 19, 18, 16, 14 years. She was such a wonderful mother someone you could truly look up to and aspire to be. She helped mother and raise my best friend of 19 years and she did such an amazing job. She taught Desiree that love didnt have to be by blood but by love. She taught her how to give and forgive. She taught her to never give up on someone and she taught her how to love with all her heart. Ginny and Richard were such a great couple to look up to and they set a wonderful example for all that came in contact with them. I just want to thank you Ginny for loving and caring about me and my children the way you did. I love you Desiree and Dad!!!!

“ We will miss you Ginny, your laughter and love of all things were amazing. We know that you are at peace and resting free of cancer now. One day we will see you again to carry on where we left off. We will pray for God to help Richard through this difficult time, but know that you will be near until he can make it on his own. We love you both.
