“ Anne and Curt were such good friends in school and although we moved away it was great seeing them when we returned to Farmer City. She always had such a sweet spirit and know they are both enjoying their reunion in heaven. Hoping the love of family and friends help ease the void left in your lives, but knowing you will see her again someday is the hope God left with us.

“ To the Rau family, I send my heartfelt condolences. Anne was always so kind to me when we worked together at Remax. She was a fantastic REALTOR, but and even greater friend to all. She was always such an inspiration and great roll model. She will be missed. May she rest in GOD's eternal peace.
