

Virginia "Gini" Selner

August 8, 1944 - September 11, 2025

Virginia Lee "Gini" Selner, 81, of Leesburg passed away on September 11, 2025 surrounded by her loving family.

Gini was born in Elkton, MD on August 8, 1944 to Harry D. and Virginia (Buckworth) Barnes. She attended local schools and the University of Maryland with a focus on Paralegal studies. Gini was a Credit Analyst for Bank of America for 29 years, earning very high credit authorization responsibility within the bank. Gini and Bob raised Weimaraner dogs for over 30 years. Twice Gini and one of her dogs participated in the Westminster Dog Show in New York. In addition, some dogs were trained for search and rescue operations. Gini loved opera and performed at the famous Hotel Dupont. She enjoyed the piano, especially playing her uncle's unpublished compositions. Gini was an avid bowler with a low handicap, participating for years in family bowling leagues. She enjoyed sewing for fun, but her absolute passion was baking. She had all of the tools and appliances to produce her legendary Blueberry Muffins. Friends and neighbors frequently asked for them and Gini would bring a bag of them when seeing her doctor in Orlando. The office staff would track her appointments to ensure they would be nearby when she arrived. Gini was compassionate, caring and loved to make everyone happy. And she was organized to a fault.

Gini is survived by her husband Bob, her brother Harry (Cathy) Barnes III of

The Villages and grandchildren Samantha Larsen of Washington, DC and Christian Larsen of New York City. She was predeceased by her children Kevin and Michael Selner and daughter Chemayne Chelf.

A Celebration of Gini's Life may be planned in the future.
