“ *Buddy and I send our deepest sympathies to all the family. Ginny was a wonderful person, a good friend and a sorority sister for many years. Even though we drifted apart after her move from Miami, we thought of her often. We will always remember her with fond memories of the many good times we shared so long ago.... We know she is now with God and at peace in His gentle care.*

“ Ginny was a hoot. Although we lost touch in the last few years, we will always count Ginny and Jim as dear friends. We had many a good laugh and really terrific times in Miami when we bowled together as double partners. You will be in our thoughts and prayers as you have lost a terrific gal. God bless.

“ I am David Ward's son and just wanted to say regardless of the fact that we did not have a solid relationship fueled by communicated there really are no words that describes the amount that she will be missed. I have many fond memories of Virginia between my first time bumper bowling to the stories she shared of my father. I love you very much Virginia, and just wish you hear that message now.
