“ To Virginia's family: A unique gal to whom we both had the privilege of knowing through her playing bingo with the Disabled American Veterans in Leesburg. She was always so upbeat and giving. She was always ready with a smile (just like the picture shown with this tribute). She will be fondly remembered by all of those whose lives she touched. God has a special place for her, I am sure.

“ To Joe and his brothers and sister Nancy, You know how dearly we held Virginia in our hearts and how thrilled we were to consider her "family" through Brian. Your Mom was an exceptional person--kind, loving, sincere, strong-willed--who must have been a dynamic force in your family from your earliest days. Having missed knowing her in her (and our) younger days, we're grateful to have been the recipients of her kindness and love in later life. Treasure her in memory as she would have wanted--and know she is right where she wanted to be. We embrace all of you in your loss, with sympathy and affection. Gretchen and Al

“ Joe, Bo, Steve, Nancy and families your mom/grand mother was an incredible lady and will be greatly missed by her second family. She brought joy back to my grandfathers life and was a loving great grand mother and grandmother to our family. We will miss the fun times that we were able to share with her from our wedding to our many family picnics. You will be in our thoughts and prayers during this difficult time.
