“ *Grandma Parks was a wonderful lady who lived such an interesting life. I loved hearing her stories of when she was a young girl. She was brave, adventurous and loving. Joel and Melissa, it must be so hard to lose such a treasure but always be grateful you had such a loving woman to guide you in life. We are so sorry for your loss and our prayers go out to you and your families.*

“ *Joel and Missey, our hearts go out to you. Marie and Fred were wonderful people. We always enjoyed visiting with them. We were in Michigan for Christmas and were not able to attend the memorial much to our disappointment. We are praying for you for acceptance and peace. Your grandmother would want you to live a happy joyful life. Hugs, Charlene and Howard*
