“ I am so sorry for the passing of Vivian, my condolences to the Guess's and Family. I too know well the pain of losing a love one in death. What brings me great comfort is Gods promise at Revelation 21:4- "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Death will be done away with and we will see our love ones again. I hope this will bring you as much comfort as it does me.

“ I am so sorry to hear of the passing of Vivian. As a teenager in 1970 at First Federal Savings and Loan of Lake County I met Vivian and she was such as inspiration to me. She played a huge part in my success in the Banking World. What a blessing it was to know Vivian.

“ Emory, to you and to yours and Vivian's children and grandchildren and to her mother, let me express my deeply heartfelt sympathy. Vivian was such a light to all of us who knew her! I love the picture you have selected of her because her love and her light are still shining in those loving eyes and her beautiful smile is undimmed. It is hard for me to believe she is no longer of this world but it is a blessing to know we will all see her once again in God's good time. You are in my thoughts and prayers! With much love, Cyndee
