

Vonda Ann Beagle

October 1, 1966 - January 15, 2024

Vonda Ann Beagle, 57, embarked on her final adventure beyond the stars on January 15, 2024, in Bushnell, FL. Born on October 4, 1966, she was a masterful weaver of joy and a connoisseur of life's rich tapestry.

Vonda's legacy is carried on by her beloved offspring: Aethoushalynn Beagle, the keeper of her torch; Ashley Nicole Love (partnered with Charlie), the echo of her laughter; Jasmyn, and Thomas "Justyn" Zummo (Teia's co-captain). Her grandbabies, a delightful baker's dozen Stevie, Ryley, Kenya, Alexis, Lane, JoAnn, IzzaBella, Janie, Charlie, Coralie, Brycen, Malachi, and Braylon were the twinkling stars in her ever-expansive universe.

The Beagle constellation also includes her brother, sisters, aunts, uncles, cousins, and a galaxy of friends who basked in her radiant energy. Vonda's journey was precharted by her parents, Lois and Charles (Chuck) Chapman, her father Russell H Beagle, and a celestial caravan of aunts, uncles, friends, and her true north, Robert M.

A traditional service is simply too plain for such a dazzling soul! Instead, a celebration of life that's as vibrant and vivacious as Vonda herself will be held in her most cherished haven, Clearwater Beach, FL in June of 2024. Gather 'round to share tales that are as colorful as her personality and as warm as the Clearwater sun.

So, let's bid a playful adieu to Vonda Ann Beagle: the woman who taught us that every day is a beach day, even when it's time to sail into the sunset.
