“Linda and Family, You all are in my thoughts and prayers during this time. I pray God gives you peace and strength in the coming weeks and months. I worked with Wade at the phone company for a short time before going to the business office. I know our families enjoyed the rv trip to Tennessee and all the smoked turkeys Wade cooked for us. I hope that you all find strength from all the memories.

“Linda, Kay and I extend our condolences in the passing of Wade. I have many memories of Wade and I supervising the construction of Old Florida Telephone buildings and later Sprint. The laying of block for the building for the motor home and the pig picking at your house. What wonderful memories.

“ Linda, When I would see you and Wade in church it always brought back memories of when we were kids in Milo and Margaret's class. We'll miss Wade and we'll keep you and your family in our prayers. With deepest sympathy.
