“ *We are so sad to hear that Wally pas passed away. We will never forget the two wonderful weeks when he and his son Gary visited Sweden and we had the opportunity tp show them around to all the places where his father William lived as a young man in Sweden, before immigrating to the US. The laughter and the comic remarks Wally made, when remembering one Swedish word after another will never be forgotten. We will also always remember his mimics when he tasted the Swedish food he remembered from his early days as a child at home in Duluth, Minnesota. He was really a remarkable man with bright intellect, brilliant humor and a big heart. We consider us lucky to have had the opportunity to get to know him. His memory will stay in our minds, clear as the sky on o bright Swedish summer day.*

“ Dee, We are truly sorry for your loss. We enjoyed attend our PSQ meetings. He had a great sense of humor and was always full of conversation. Tom especially remembers the time he was behind him at the post office when he mailed all of those CDs of his trip to Europe. He still chuckles over that, and your Dad was so apologetic for the inconvenience. I'm sure you will have so many memories of him to look back on. . .so do we in PSQ. Goc Bless. You are in our thoughts and prayers. Tom and Sally

“ I worked with Wally when my Uncle Jimmy Meisel was putting together his WW2 memoirs some years back. Wally would send me photos and I would edit them and send them to Jim. We got to know each other, and he even came to Peoria to visit me once with Inez. We corresponded regularly, and I will miss him. He was a true gentleman and a good friend. I was proud to know him!

“ My Dear Dee, Wally and Inez were friends that lived next door to Congressman Bill Hefner and his wife Nancy. They introduced us to McLean and Washington D.C. They were wise to the area. I will never forget the thousands of cards you addressed to get Bill reelected to Congress. Wally and Inez were great friends and mentors. I am sorry. Love, Nancy

“ *Dee, I worked with your Dad from 1969 until he retired from ALPA. One of his greatest challenges was trying to take me under his wing and make something out of a poor kid from DC. Some might say he had an impossible task but he taught me so much. But most of all he taught me how to be a gentleman. I will never forget him. My prayers are with you and your family. Don Skiadoos*

“Dee and Family, I am so sad at hearking the news of Wally. He was a warm hearted and kind man and Paul and I valued his friendship very much. When Paul died, Wally sent me the words to, "Children of the Heavenly Father". I already knew them very well, for they were played at the funeral of both our parents. We were so happy when he finally made his trip to Sweden. I'll think of Wally along with those I have loved when I hear the words of that great hymn. My warmest regards, Joan Leonard with my warmest regards. Joan Leonard.

“ To all the Andersons: Our deepest sympathies go out to you at this time. Wally was such a sweet man, positive and caring. I know that he was so proud of all of you! What a legacy he leaves in the Anderson clan. He is an example of how a hard-working, dedicated family man can impact the world, as his influence ripples out through all of you! When I think of Wally, I think of a person who grew old so gracefully. Would that we all can reach our golden years like Wally: happy, peace-filled and with such passion! God bless you all.
