On May 26th 1955, Walter Alan Baum Sr came into this this world in Zanesville, Ohio and on July 14th 2024, he took his final breath in the comfort of his home surrounded by his wife and children in Weirsdale, FL. He was a Devoted Husband, Loving Father, and Amazing Honey Papa, who fought a long battle with cancer that ultimately claimed his life. He lived his life by the 3 F's: Faith, Family, and Fishing. He is survived by His loving Wife Phyllis Baum, Son Walter Baum (wife Emily), Son Aaron Baum (wife Hether), Daughter Megan Becker (husband Jeremy), 13 Grandchildren, and the rest of his very large extended family.

“ Walt and I have a long history spanning just over 50 years. We rode motorcycles together we worked long hot days cutting sour from the orange trees and chopping maypop and milk vines to driving semis both separately and running team together. I'll always cherish the memories with this man and the infectious laughs we had. We'll ride together again someday brother. My prayers are with the family that God will send his Holy Spirit to comfort you all.

Walt...my brother Walt...in the summer of 1977 took me for a ride in his car and played his 8-track player, and I heard songs I'd never heard before by Fleetwood Mac and Boston. It was one of the best road trips I have ever gone on. Thanks for that, Walt. I have always remembered that. Dave
