“ *I didnt know you but heard how special you were from your grandson Dan. I wish I would have hd the opprotunity to have met you. God's Creation I believe that god above; Created you for Danny to love. He picked you out from all the rest; Cause he knew Danny would love you best. He gave a heart so warm and true; But now it's Gone from Danny to you. So take care as I have done; For you hae towo and I have none. When I die and go to heaven; I'll paint your face on the golden stairs; So all the Angels will know and see; What my Grandpa Walter really means to me. Whe you r not there on judgment day; I'll know youwent the other way. Jst to show that my love is true; I will Go to Hell to be with you. God Bless you and your loving family. From Beth Klich*

“ My letter to you before you passed. Dear GrandFather Davis, I may have known you for only a short time, and met you at my worst. But you have grown into my heart and have been there ever since. Your humor and laugh are contagious. Your smile could light up the room. I am proud to say i am your grand daughter and to carry the Davis name. My heart is breaking and my tears are getting slower as the time passes. I still carry some faith that you will be ok, you will overcome this obsticule and live forever. I know thats selfish thinking on my part but i dont want to believe this is it, and we will soon be saying good bye. My Heart is breaking and I only wish that i had spent more time and that I took that trip to florida to visit you before this. I am glad you were here to see me get married that day was perfect with you here. Your a special man to many , loved by all. I will forever cherish the moments though very few I got to spend with you. My prayers are still going and I hope God hears my calls. Let him live one more day if nothing at all. I love you GrandPa and will hold you in my heart forever. Untill I see you again. XOXOX Love, Your GrandDaughter Danielle

“ I love the picture of Walt on this obituary and that's how I will remember him. We spent many holidays and special events with Walt and the family and boy did we laugh. Lots of fond memories, especially ones involving dancing and singing! He had more energy than men half his age and smile that would light up a room. We miss you Walt. Love you always. “ Dear Gerri & family, You won't remember me, but Walter did our yard trimming for several years when we had our home on Hickory Hill. He was always cheerful and such a hard working man. We certainly appreciated him! I know you will miss him - my husband, Don, just died in July, so I know your pain. Keep well and enjoy your happy memories. My deepest sympathy, Julia Fromkin
