“ Dearest Gloria, It has blessed us and many others as you have shared Walt's journey these past months. Each situation Walt was going through, you also shared scripture. You'll never know how that ministered to someone else's life during an illness or struggle. God uses these times to grow us stronger and closer to Him. Thank you for being faithful in both the good and bad times. May God continue to bless you and comfort you. Carlos and Nilda Cobos
