“ *I would like to say that the sadness of Wanda's death will be Difficult for the family. I know their strong faith will give all Some comfort. My great memory of Wanda is on a cruise with the sisters and brother, and the show was an Elvis impersonator, she had a front Row seat and loved every minute! "Elvis" gave her his scarf which Excited her so very much. I do hope there is a Heaven so she can See the real Elvis as he entertains.*
