“ I am sad that a wonderful husband, father, uncle and friend has left us. It was a very nice service and I am glad I was able to make it to say good bye and see everyone. We are left with great memories. One of my favorite memories is playing tennis with uncle Warren on Saturday mornings when I was in high school. He beat me every time, but we had a lot of fun. I hope it is not so long until we see each other again. Relatives all used to be fairly close together and now everyone is scattered across the country. Everyone take care and God Bless. Jeanne
