“ Dear Brown family, My name is Chancey. I am a participant in an international volunteer work. I spend many hours sharing scriptural comfort with families such as yourself, trying to cope with the loss of a loved one. I am so sorry for your loss. Like many, you may have wondered :Will we ever see our dead loved ones again? I show them what God's Word says. Revelation 21:4 -"He will wipe out every tear from their eyes and death will be no more, neither mourning outcry or pain be anymore the former thing have passed away." For even more evidence I read to them John 5:28-29. Jesus tells us," All those in the memorial tombs will come out.' Reasoning upon these verses and many other , we see that death will be gone forever, and those we lost will be raised back up to life and live here on earth,as Psalm 37:29 says 'the righteous will possess the earth and reside upon it forever'. Learning what the Bible really teaches has helped millions cope with death. So does knowing God promised to bring these things about. I hope these verses help you, as they have so many. My sincerest sympathies.
Very Truly, Chancey Bennett
