“ If I could turn back time we'd take that boating trip we always talked about and watch the sun set across the water. If I could turn back time I would hug you so much more. We would create more memories and great stories to tell, never letting so much time pass. I would tell you I love you more. If only I could turn back time I wouldn't be missing you so badly today. If only I could....

“ Please accept my sincere condolences during this time of grief. My hope is that the words of Christ Jesus be of comfort, when he stated that "the hour is coming in which all those in the memorial tombs will hear his voice and come out" (John 5: 28, 29). We can also take comfort in God's personal promise to "wipe out every tear" and that soon, even "death will be no more" (Revelation 21: 4).
