“ You were always there with a shoulder to cry on, a hug to provide comfort and safety, and a smile to bring me peace. Thank you for all your love, support, and friendship, You were the best "other father" a girl could ask for. Most of all I will miss how you made me laugh with your ridiculous jokes. I love you, Diane.

“*We were deeply saddened to receive the news of Wayne's passing and offer our most sincere condolences to Sandi and all family members. Following our chance meeting in 1989 Wayne and Sandi became a much loved friends with whom we have had many fun filled happy times. Wayne will be fondly remembered for his inimitable positive approach to life, his unerring sense of fun, and genuine friendship, there were so many other admirable qualities that made him such a special friend. His attitude in the face of recent difficulties was truly inspirational and such was his determination to continue to get the best possible from life that he was planning to meet us in Europe early next month. We will sadly miss a true friend and will be thinking about you all in the difficult days ahead, it is a matter of great regret that we cannot be present. John and Cecily Milton Keynes England*”
