“ *Mr., Weldon was such a good man ,I was offshore on a rig and my dad was fading fast from his deadly cancer.,Mr. Weldon was notified by my office and he had a chopper come out to get me home. The fog was so bad that I didn't see the chopper till it landed on the rig heliport !! He pushed that pilot to come get me home to my Daddy when no one else would have flown, Mr. Weldon did that for me !!! I'm so grateful !!! I w9ill neve forget this amazing .man. Sincerely Byron Hebert son of the late Allan Hebert.*

“ *Tuddy, I wish I could be with you and the family today and help in some way. Please know I will be thinking of you and will continue to keep you in my prayers. The few times we were all together as a family, I enjoyed and admired Weldon for his obvious love for you and your boys. I am so sorry for your loss. Lots of love to you and the family, Patti*
