“ Dear Ellie and all of Charlie's family...Perhaps they are not the stars, but rather, openings in heaven where the love of our lost ones pours through and shines down upon us to let us know they are happy. I am truly saddened by the news of Charlie's passing. I will hold the many memories I have of growing up down the street from Charlie and Jeff close. And the many laughs and good times we all shared at the Depot will never be forgotten. I hope when Charlie got to the heavenly gates that my Kristie was there to greet him. Although it's difficult today to see beyond the sorrow, may looking back in memory help comfort you tomorrow.

“ Sincere condolences on the passing of 'Charlie'. I was shocked to hear he has passed on. I knew Charlie from high school at Wilson Central High School in Wilson, NY (I think he was two years behind me: I graduated in 1971) and he used to hang out with Andy, Lou, my brother Mike, and I. I lost track of him after I graduated high school but when my wife asked me if I remembered Wendell Strubing I sure did with fond memories. Always a lot of laughs when he was around.
