### Obituary of William Bolduc

William E. Bolduc of Leesburg passed away suddenly Thursday November 21, 2013 while recovering from hip surgery at LRMCs North Campus (unrelated).

He was born in Biddeford, Maine on March 15, 1939 to William Eugene Bolduc Sr. and Eva Theresa Valance. He grew up in a rural setting on their family farm, gained his GED and joined the Army where he proudly served in Korea as an MP, upon returning home he joined the reserves after which he separated from the service honorably.

Bill moved to Florida with his new wife Patricia (deceased), and step son Ronald Letourneau in the 70s residing on the west coast for some years. After a lengthy return to New England they decided to return to Florida settling in Leesburg and enjoyed a thriving business here called "Bolduc's Services" painting and remodeling homes and offices.

William is survived by 2 sisters "Wilma" and "Claudette"; 1 sister in law "Donna"; 2 biological (estranged) children Billy and Yvette; his step son Ronald Letourneau and adopted son Adam Bolduc, and his grandchildren; Anthony, Jocelin, Thalia, Angelique, Monique, and Pennelope , as well as

many nieces and nephews.

It was Bills wish to forgo any formal funeral or wake and to be cremated, although an attempt is being made to have VA recognition and burial at a state cemetery in honor of his military service (to be announced at a later date).
