

## William Charles Brewer

November 26, 1964 - November 3, 2020

William Charles Brewer Jr. went home to Jesus on November 3, 2020 at home surrounded by his wife and family. Bill was born in Lakeland, Florida where he was raised by his mother, Wilma Athey and stepfather, Edward Athey. He married the love of his life and best friend, Susie Morrison Brewer in April of 2016. He is survived by his wife Susie, son Cody and daughter Lacie, as well as numerous family members and loved ones. Bill and Susie attended St. James Church in Leesburg, Fl.

Bill worked at Agewave Solutions for more than 20 years as a computer drafter where he designed houses for The Villages. His dedication and integrity to his work was above reproach. His coworkers were a family and he loved working with them and sharing life with them. Bill was an incredible and loving husband to his wife, Susie. He was a wonderful father who supported his children with love and encouragement to work hard and do their best in everything they do. Bill was loved and cherished by his family.

He is preceded in death by his mother, Wilma Athey. Bill has been greatly loved and supported by his Aunt and Uncle, Shirley and Richard "Dickie" Smith and his Aunt and Uncle Stacie and Gilbert Chichester. Bill was also welcomed and greatly loved by his in-laws, George and Paula Morrison and sibling's in-law, Rhonda, Tonda, Brandon and the entire Morrison Family.

Bill never met a stranger and always made everyone he met feel welcomed and cared for. His smile could warm your heart and could brighten anyone's day. His favorite thing to do was to greet passersby with a warm "Howdy" and see if he could get them to smile. He enjoyed the beauty of the mountains, working on cars, spending a day on the boat, and spending time with his wife and children. He loved history and anything to do with WWII. He loved helping others with projects and would always take the time to figure out a solution to any problem. He is described by his wife as a man of God who was full of integrity, hard-working, full of love, an amazing husband and friend.

In lieu of flowers the family would wish you to make donations you can make in memory of William Brewer to Moffitt Cancer Center Foundation for MDS research:

“ I will never forget the day I met Bill. My little sister Susie picked me up at the airport and on our drive to our Mom and Dads house Susie told me all about Bill her beautiful husband and how they met with sparkles in her eyes and a smile on her face, she was beaming with love. That hour drive home was so special to me and I was so grateful to God that Susie and Bill were brought together in marriage and life. After getting home to Mom and Dads house I heard someone come through the front door and heard Susie say to Bill Tonda is here, then I heard Bill with a loud voice say sister! sister! wheres my sister! I jumped off the couch and I was answering loudly to him saying brother! brother! he was coming towards me with his arms wide open as were mine with smiles on our faces and him saying sister and me saying brother over and over as we hugged tight he said I haven't seen you in so long sister! we laughed and smiled big time! He made me feel so special. From then on I don't think I ever heard Bill call me Tonda It was always Sis or sister and I always called him my brother, I will miss that very much. I never had a brother and Bill never had a sister and I thank God he gave us that bond. Susie and Bill's love for one another is a true love story I will cherish forever. I'm also so grateful Bill gave me a niece Lacie and a nephew Cody they are kind and beautiful just like there Dad. His heart and love was huge and his smile and laugh was awesome. What a special Man I will miss and love everyday for the rest of my life. May you rest in peace My Brother.
