“ Bill Britt was a true friend. We first met in March 1994, the day he joined Spray-Tech, attending management leadership conference. We quickly realized that we thought so much alike . . . and the relationship continued to grow stronger thru the years. People skills, motivation, trivia, politics, wine, and customer service were some of the many areas of our conversations. What Bill liked, I liked also. For over 20 years, we would talk on our computers daily or meet for lunch - monthly. Bill was a game changer and I looked forward "to being in the room when he came in." I never thought that I loved him . . . but I guess I did. I miss him greatly. My sincere condolences to the family, to those that worked both with and for him, and all the rest of us who shared him. Hooray for Bill Britt!

“ With every one I've been in contact with after his passing, the one thing that everyone has said was what a great man he was. It didn't matter how long that person worked with him, he made a lasting impact. Though I never met his family, he spoke about you often. I feel like I know you all. My thoughts and prayers are with you. Please know, he was an amazing person who touched so many. It was such an honor to work with and for him.

“ I was fortunate to meet Bill in 1994. We became friends right off the bat, despite the distance of our offices. We had such fun on our ship trips over the years. I admired Bill's intelligence and enjoyed his jolly good humor. You could count on him to be an optimist. Bill made a difference and he will be missed. We send our heart felt condolences to his wife, family and friends.

“ *The first time I met Bill was at the Siminton window plant in West Veginia. He was doing the seminar on the window . He was so very knowledge about the product , but what made Bill so memorable was his ability to make learn fun.*

Since then Bill and I have become great working buddies , he will always call you back , help in anyway he can and if he can't , he will give you an explanation that makes sense and is acceptable .

Bill is by far one of the best person I have ever work with . He will be greatly missed.

Rest in peace my Brother

“ My condolence to Kelly and family, I am saddened by your loss. If there is anything I can do ,please let me know! Bill was a great neighbor and friend.

I give you this one thought to keep-

I am with you still- I do not sleep.

I am a thousand winds that blow,

I am a diamond glints on snow,

I am sunlight on ripened grain,

I am the gentle autumn rain.

When you awaken in the morning's hush,

I am the swift, uplifting rush,

of quiet birds in circled flight.

I am the soft stars that shine at night.

Do not think of me as gone-

I am with you still- in each new dawn.

“ *His Journey's Just Begun*

*Don't think of him as gone away-
His journey's just begun,
Life holds many facets-
This Earth is only one.
Just think of him as resting
From the sorrows and the tears
In a place of warmth and comfort
Where there are no days and years.
Think how he must be wishing
That we could know today
How nothing but our sadness
Can really pass away.
And think of him as living
In the hearts of those he
Touched....
For nothing loved is ever last-
And he was loved so much.*

Rest in peace.....
