“ I was very sorry to read about Bill. I had a lot of fun with him over the years I was in the 104th. I retired in 1990, so I think we had known each other for at least 40 years. I have to say, we did have good times. I can still hear him say " CCanty, HHow you doing". My Father spoke the same way. He will be missed. God Bless, and I thank him for good memory's. Marty

“ I knew Bill for years, as we served together in the Security Forces at Barnes. He was funny and caring. As one of the "older" guys, he always looked out for us. God Bless him and his family.
