“ *Dad, I will miss you so deeply, of your smile, hugs and pulling of your teeth out to goof around. I will miss your father daughter talks and information i need in life! My prayer is for momma, she will live to tell the good news to her grand children and great children a many of more years, because they will need to hear all about your faith, and how to keep a marriage going! You both light up my life and I am truly blessed to have you as my parents!*
