### Obituary of WILLIAM FAUST

William A. "Will" Faust, III, was born in 1969 in Daytona Beach, FL to William A. Faust and Carole Dodd Faust. He attended Seabreeze High School in Daytona Beach, later earning his GED. He then went to work as an apprentice electrician for local electrical firms. Will then decided that his calling was working coast to coast, from Maine to California, in the electrical field. He was a member of IBEW Local 479 in Port Orange, FL.

Will is survived by his mother, Carole Gross (Lee) of Astor, FL, his brother, Todd Faust of Gainesville, FL, his sister, Leslie Oldaker Hoeft (Casey) of Melbourne, FL, four nephews, and two nieces, all of whom he loved very much. Will's heart was as big as he was and it was filled with much love for his family, his friends, his electrical "brothers", and all animals.

Will loved fishing on the St. John's River and, at a later date, his ashes will be spread along the river he loved so much.

“ My brother and Will were good friends and traveled together as electricians. I had the pleasure of spending time with him here and there as well in my younger years. I can tell you that Will is one of the few people who have left a lasting impression on me my whole life. He was one of the most kind, humorous and sincere people that I have ever met. And even though I haven't seen him in an awfully long time, I have thought of him often over the years and the memories I have. It truly broke my heart when my brother told me of his passing. My thoughts and prayers are with his family and loved ones. Monica Keller
