“ *During your journey on your final flight home. White wings will carry you and you will be flown. To the pearly gates of Heaven, where they will usher you in. To the feet of your Lord, your Saviour, and your friend. He will hold you in his arms and the angels will sing. We love you Pop and we are going to miss you dearly! As another one of His children is delivered by white wings.*

“ *So thoughtful and caring. Always remembered the "Grande Dames" with a little something personal to brighten a special occasion. Bill will be missed by everyone who knew him. Our deepest sympathy to Bertha and the family. May he rest in peace.*
