“ I got to know Bill years ago at the MVP wellness center. He was always laughing and I enjoyed talking about our Michigan stories.

“ Death is the hardest thing we have to deal with in life. I know words can do little to take away your pain, so may the God of comfort be with your family, helping you to cope. Lean on Him in the days to follow, 2 Thessalonians 2:16, 17 and read of his marvelous hope for those who have fallen asleep in death at John 11:41-44, seeing that Jesus performed this miracle as a preview for the future, John 5:21. My deepest sympathy.
