“ *Debbie: David and I are saddened to hear of Bill's passing, and our heart goes out to you and his family. Many times we have reminisced about the fun times all of us had here in Lake Jovita. We missed both of you when you moved. I wish I had been better about staying in touch with both of you. We loved Bill and we love you. Please know you are in our thoughts and prayers as you go through this difficult time and know you are not alone.*

“ *I was so sad to read this morning of Bill's passing. He was a wonderful, caring man. He is loved by the foster child whose life he changed. Dakota has asked about him so often and remembers Bill as the person who knew him the longest, who advocated for him and loved him for 8 years in the dependency system.Dakota and I will both remember Bill as leader of the "team" that looked out for him. Dakota will always feel Bill's love.*

“ Words cannot express how it feels to lose my beautiful brother and friend. In the many days and weeks ahead I will miss him even more. When I pick up the phone to talk to him he won't be there for a chat or friendly consul. I am so proud of him though for the battle well fought. He was a man of faith and an inspiration to his entire family and all his friends. He said " I just wish when I get to heaven, I could tell you all about it" I'm waiting brother! Love Forever, Your baby sister, Joyce
