“ *RIP brother. We had some great times growing up and those memories will always live on in my heart. You was always a true friend and I loved you like a brother.*

“ *Billy was part of our small class of 1974 in a small close knit school, South Sumter High School. We are having a reunion for the classes of 1960's - 1970's at the end of this month. We have a Facebook group for these folks that went to school together and of course, to see this morning the report of Billy's passing yesterday was a sad surprise. The discussion will no doubt continue, but I wanted to share with you the sweet thoughts of his disarming smile - just before doing something devilish, the girl he took to the senior prom, his twinkly eyes ... Thanks, Billy - Godspeed and peace to your family.*

“ Rest well dear old friend. We had so much fun together. I've thought of you often through the years and it always brought a smile to my face. You were closer than a brother once upon a time. You will always hold a place in my heart. JJ

“ Christy, it is lovely to know Billy had a sweet daughter. There are two school pictures on our Facebook reunion site that would go nicely here. He was all long-hair, bright eyes, lop-sided smile and promise which became you. If you don't have those pics and would like them I can email MJMelissa13@Gmail.com

“ I never met Mr. Judy, but I was touched by his short life...God help you, family, as He tries to bring comfort and strength to you. The journey of grief is the most difficult you will ever travel, but God is always near to help, if you ask.
