“ It's June 4th, 2026 - and I somehow missed the anniversary of your heavenly birthday, Dad. Actually, that's not true - I actively avoided it for fear of the tears flowing. Fifteen years of moving on, sometimes moving forward, sometimes retreating - yet every day spent hoping that you are surrounded by love and light where you are now.

“ Happy 8th Heavenly birthday, Daddy. It seems like just yesterday my heart broke when I received the call that you had passed. You are still greatly missed here on Earth. Every once in a while I think of having a fudge ripple ice cream/chocolate syrup sundae in your honor, or perhaps a stiff T&T. Love you still.

“ Daddy,  
I miss you still. I wish we had gotten the chance to talk just one last time. Our relationship was complicated, yet I know that you loved me. I hope you have found happiness in the afterlife.

“ Dear Carole and Kurt, I was so sorry to learn of Bill's passing. Though I didn't know him that well, my husband, Chuck, thought very highly of him. What is loved will be remembered. Sincerely,

“ I had the pleasure of working with Bill "Lumpy" for many years here at Martin Marietta. He was always very professional in his efforts and had an amazing sense of humor early in the mornings. He will be missed.....Steve

“ I will surely miss Bill. We could talk about anything, but mostly we loved to talk about our hounds. I have a little comfort knowing that Bill is loving on all our hounds ATB and they are being looked after with much love! My love to the whole family.
