“ Bill was one of my Special Loy Men! He served aboard the USS Loy during WWII with my father and many other great and dear men! I have had the privilege of knowing Bill for many many years! He is one of many of the men both my son's had the privilege to grow up with spending many reunion trips together. He will be dearly missed and will always have a special place in my heart and everyone else who has known him. I know he is in a better place and was well prepared for this step in life! My deepest sympathy and prayers to the family! Your Dad, Granddad was a Gem!
