“ *I am so very sad that Bill has passed. I admired Bill and Fay tremendously. They were very warmhearted and kind. I happen to be one of the many who had shuffleboard lessons with them. I will miss Bill so much. My thoughts and prayers go out to the family in this sad time.*

“ *My grandpa and I would always talk about our memories of their home in PA. He would teach my cousin and I to sail, take us on his tractor to pick blackberries, and provided experiences that created wonderful childhood memories. We were lucky to have him as a grandfather. As I grew older, he expressed how much he believed in me direct and confidence building ways. I will always remember and appreciate him for this.*

“ *My sympathy goes out to the family. What a true gentleman . What a pleasure knowing both he and Fay. Loved the game of shuffleboard and what a fierce competitor. He will surely be missed, but he is with his loved one, Fay*

“ Our condolences to your family on the passing of your father. Bill and Faye were both good friends who were kind enough to help us with our game of shuffleboard when we were beginning to learn the game. Bill will be missed very much in our shuffleboard community.

“ Bill has a very special place in my heart. We met when I was referred to him for shuffleboard lessons. We hit it off right away. We started going to tournaments and summer shuffle together. We would talk and laugh and get ice cream afterward (don't tell Fay he would say) I will miss his big bear hugs and wonderful words of encouragement. Bill and Fay were always on the lookout for a Donald Duck for my collection. I always have fond memories whenever I look at those pieces. He will be missed and as always he is in my thoughts and prayers.
