“ *So sorry for your families loss, Billy was a special person and always made me laugh as a young man while playing golf with the sterling drug guys. He was a good friend of my dads, who passed a few years back. God Bless your family in this time of need.*

“ *I would like to extend my sympathy to each of Bill's family members. He was a wonderful neighbor to me. I came to have much respect for Bill. He always had a smile on his face and a cheerful word to say. He and Margo demonstrated much love for each other and their family.*
