“ *Parr Family. My deepest condolences to all of Bill's family. When I first came to LAL several years ago Bill and Billie made me so welcome. When I came back home from a trip north Bill would knock on my door always saying "I've come over to welcome you home". In the mornings Bill would be out raising the American Flag to honor his devotion to our country. How are you doing today Bill, I would ask. Bill had a stock answer "I got up this morning" he answered with a grand smile and chuckle. Oh! How he could play the drums. Thank you, Bill and Billie too, for being such lovely neighbors. “ *On the behalf of the Bardell Family of Lakes of Leesburg we are deeply sadden to hear of the passing of Dorinda's father whom we come to love and know as one of our family members. He made such a wonderful impact on our lives, and seeing him made our heart smile especially when he was looking for cat pictured above that would sneak out of the house. We will miss seeing him on a daily basis and know that he will be missed by all that knew and loved him as we did.*
