“ Jackie, my memories of you go back to sitting together in that little schoolroom in grammar school. It was with sadness that I read of the death of your husband. I just wanted you to know that I was thinking of you & your family at this time of great loss. As Thornton Wilder so beautifully expressed, "There is a land of the living and a land of the dead and the bridge is love, the only survival, the only meaning."

“ Jackie, I am so sorry to hear of Bill's passing. He was a great guy and although I had not kept in touch with him lately, I fondly remember the good old days at McLin's office when Bill always seemed to be around. Too many from that era are now departed and Leesburg is a far different place because people like Bill are gone. Please accept my condolences. Don

“ To the Talley family - I was very sad to read of Bill's passing. I had the privilege of serving with him on the SunTrust/Orlando Board for many years. Although I generally saw Bill only at the quarterly Board meetings, he always treated me like a close friend, so genuinely friendly and caring. Bill asked many insightful questions during our meetings and provided great advice to the Bank, especially with regard to its operations in Lake County. I admired Bill very much and will miss him. My thoughts and prayers are with you.

“ My condolences to the Talley family. My grandfather, WILLIAM OLIN TALLEY SR of Toombs County, Georgia was uncle to your husband. We also lost Kenneth McBath Talley last month age 92 buried in Ohoopee where his 94 year old brother William Olin Talley Jr and 89 year old Thomas Carlton Talley both still reside in good health with their wives Joyce and Janis Talley. It would be so nice to arrange a Talley reunion for related members to become acquainted.
