“ *Debbie, Words cannot even begin to express the sadness that we feel at Bill's passing. I know he endured so much with his illness and did it with strength and courage. The pain and suffering are gone now. God has taken him to a much better place. Bill was a big loveable guy and will be missed by many! We'll remember his very distinct laugh and we're sure those in heaven will enjoy it also -- along with his jokes. Debbie , remember all the good times and the great love he had for you. You are in our thoughts and prayers. Love, Jack, Betty and family*

“ *Lori and I knew Nordic Lane was going to be special when our first neighbors, Bill & Debbie, moved in soon after us. Bill's first act of kindness was the planting of flags along our driveway on our initial national holiday in The Villages. I also appreciated that he would always stop and chat when driving by in his Jeep or cart, often offering to help with any project I was into. He showed me around the golf cart paths and tunnels, took me to a bluegrass jam session and even encouraged me to play billiards. Lori and I will truly miss Bill's ready smile and great sense of humor. Debbie, we are so very sorry for your loss.*

“ Update: My deepest sympathies on the passing of your beloved Bill (aka. The Mayor). Although to have only known this gentle giant briefly, the learning of his death filled me with a deep sense of loss. His warm and sincere welcoming of Kathryn and me into our new community reassured us that we were home! May God's love enfolds you during difficult moments and helps you heal with the passage of time. My thoughts and prayers are with you.
