“ There was never a time I encountered Will that there wasn't a memory just the impact this child had on people. Whether it be the story he was telling you in full detail or the dimples in his cheeks the gleam in his eye.or the laughter you were blessed with.I will never forget being at the practice field and Will saying Sheldie I gonna run to the fence and back..ok buddy I'm watching well Will made it about 4 ft and encountered a group of ladies sitting on the ground one had a bag of chips so of course he stopped dead in his tracks to give every lady a hug and snag a chip.lol.Everyone got hugs always. Hearing him cheer for my son playing football "Go Wogan " best fan ever.This young man touched my heart and will always have a place there.God Bless
