Message from Willie's Sister, "My Big Brother":

Willie Curry is, was, and will always be "My Big brother". When we were growing up his protection was always present, his love was shown and felt. Being the only sister of three brothers, Willie was like a second mother. I never knew him to do wrong, not saying he did no wrong. He always offered a helping hand to all in need. He was one to consider a friend indeed. He was not a womanizer or a party guy, he didn't hang in clubs and here's why. He was a hard worker, a dedicated family man; just to go fishing on weekends was his plan. Now he is gone, but never is he forgotten, for like him there is no other, he will always be "My Big Brother" R.I.P. Love sister V. Teri Cockett
