“ *So sorry to her of your loss Rick. My dad too was part of the "greatest generation" and would be 92 y/o today. If your dad raised you, he truly succeeded in life since his product is one of the kindest, friendliest, warmest people I have ever met. I honor his memory through my knowledge of you and who you are. Like father, like son, he had to be one of the best. Rest assured you have a first class advocate in heaven right now. You and your loved ones are in our prayers at this tough time. God love you and yours. Best, Wayne*
