“ my sincere condolences go out to Bruce's family. I have many fond memories of Bruce and his family, during our childhood days. It's such a coincidence that I was speaking of him just yesterday, talking about funny things. Mr. And Mrs. Sizemore lived across the street from us in Tarrytown. May God be with your family at this time, and always. May you find peace that only God can bring.

“ My love and prayers go out to Aunt Carolyn and the family. Bruce will always be remembered by me and my children as the one who could make us laugh! I loved to hear his stories about all of his adventures. I know he was a big part of my husband, Mark Gill's life. I can still hear his stories of how he would go mow for "uncle Bruce" so he would take him fishing. He loved to ride on the semi with him when he was a young boy and it was uncle Bruce and his other uncles who passed to him his love for truck driving. May the Lord continue to strengthen you and give you peace.

“ Uncle Bruce, You were a big part of my childhood and adult life. You, Aunt Carolyn, Becky, Liz and Larry.... I remember every trip to Florida and how much fun we had..... You are gonna be missed so much..... Your humor kept us all in stiches, especially the truck driving stories!..... Your love of music made it so fun to play for ya, and to play those old truckin songs for ya..... The family reunions will never be the same without you!!... Love ya Uncle Bruce-----
