“ I started doing Wilma and Jim’s taxes many years ago and we instantly became friends! After they moved to Florida we remained friends and I found out my best friend Vicky’s mom was Wilma’s sister! My prayers go out to Jim, her daughters and the entire family! Wilma will be missed by all that knew her! She may be gone from this earth but she will not be forgotten! R.I.P. Wilma until we meet again! ❤️🙏💔

“ Wilma will be so missed. Her and Wanda both baby sat for us when we were young. They were my aunt. They were so addicted to Pepsi, and potatoes chips. Wilma used to go over to Canada and dance on a TV show called Swinging Time, I believe. So many great memories of her. So beautiful, inside and out. She will be terribly missed. Funny how we always think of the twins as one. Jim, Laura and Diane, my heart goes out to you, I'm so sorry for you loss. You are definitely in my prayers.

“ Sending prayers and my condolences for the family of Wilma Findlay. I remember Wilma’s family back in 1963 when I met them ,her Sister Wanda and she became friends of mine. We hung out together on 21st. Detroit Mi. I met probably all their siblings and some cousins. They both were nice and easy to get along with and all the kids on the block always would call them the twins I think because they couldn’t tell them apart.💔Rest in peace Wilma.

“ Laura, Diane, and families, so sorry for the loss of your mom. I have so many fond memories of Wanda and Wilma growing up. I remember Wilma trying to teach me how to line dance when she was a teenager and I was probably an annoying kid trying to do everything she did. I pray for peace and comfort for your family. May the love you shared help you through this difficult time.
