“ Lisa, I'm so sorry for your loss. You Loved that child from the minute he entered this world to the minute he left this world. Thankfully he knew that. I'm thankful for the time I had with him, I will always remember him for that straight forward attitude and how he was a tough and mentally strong young man that loved to compete.. I know how much he loved his family and friends and you all our in my thoughts.. I'm so thankful I had the opportunity to have him for my time
